Marine Emergency Duties

Basic Safety Training

Non- Pleasure up to 150 Gross Tonnage

Next 1 Day Course: EVERY MONTH

Transport Cda may also accept MED A3 towards Master, Limited

VANCOUVER, BC Fishing vessel operators and crew are reminded that "training is key in helping both new crew members and even the most experienced mariners reduce their risk of mishaps on the water."

All fishing boat crew members are required by law to obtain their Transport Canada training certificate in Marine Emergency Duties - Basic Safety - by no later than April of next year (2007).

QuickNAV Boating School

offers a Transport Canada-accredited 1 day course in
MARINE EMERGENCY DUTIES M.E.D. A3 - Basic Safety

Register before December 1st for \$110 & you'll save \$15.

Learn So You'll Return

We'll teach you about all phases of marine emergencies:

- * Hazards & risk management, prevention & vessel stability
- * Fire emergency response * Survival & Lifesaving equipment use
- * Distress signaling including flares, DSC radio & EPIR Beacons
- * Cold water emergency response * coastal Search & Rescue procedures
